

## MISSION COLLECTION

The Mission Diocese of Satna is entrusted with the mission of evangelizing seven districts in the State of Madhya Pradesh in the Northern part of India. Even though the population of Satna is over 10 million, only 3,000 belong to the Catholic faith. Majority of the population belongs to the Hindu religion. We extend our support to everyone irrespective of their religious beliefs.

In this Diocese, there are 37 schools, 6 dispensaries, 1 hospital, 1 orphanage, 2 homes for the mentally challenged, and one home for the physically challenged children and one home for street girls. There are some formation centers for the future missionaries. Together we are working for the amelioration of women through different programs. We also do AIDS awareness programs.

With the help of formal and non-formal schools, we provide education to the people so that they become liberated from the clutches of the evil effects of the caste system, superstitions, untouchability, etc. Through the non formal education, the poor and the marginalized children are brought into the world of letters and to main stream of the society.

We conduct retreats, family renewal programs, small Christian Community gatherings, ecumenical meetings, inter-religious meetings, prison ministry, training for Nursing Assistance, education centers for school drop-out children, job oriented training for children, assistance in farming and development of land for cultivation.

Health Care Centers such as hospitals and dispensaries run by the Diocese help the poor people in remote areas. Infant mortality and malnutrition are very high in this State of Madhya Pradesh due to lack of medical care. The diocese is initiating a program to address these issues.

Being a mission Diocese, we are in great need of financial support to further our missionary activities and humanitarian support for the poor and the needy.

We are grateful to St. Vincent's Parish for helping us with your generous contributions. Your prayers and support help us to continue with our missionary activities. Thank you for your support of our mission in the universal Catholic Church.

Thank you!
