

Parents and Guardians,

March 5, 2020

Thank you for entrusting your child's education to SVS. We are truly blessed to be a part of their lives. St. Vincent de Paul School continues its tradition of excellence because of the caring dedication of our teachers and staff, the hard work of our students, and your continued support every year. As you read over the following report, please notice how much of our income came from actual tuition payments. Tuition was only 34% of our income. The remaining 66% came from other sources. This is why it is so important for each family to support the fundraisers that directly benefit our school. These fundraisers are: Craft Fair in the fall, two Sarris Candy sales (one for Christmas and one for Easter), our upcoming Greenbacks Dinner, and the ongoing Scrip program that includes our Amazon link. It is very important that EVERYONE support these as much as possible. Our actual cost to educate each student was \$7,575.00. The base tuition for students who are not Catholic was \$5,350.00. The base tuition for Catholic students was \$3,595.00. Below is the table that shows the tuition charges and discounts. Thank you for investing in your child's education and spiritual development with SVS.

God Bless,

Barbie Porter
